

PRIZE BOUNTY

MONTHLY RAFFLE

Fundraising Raffle

This month **Hollybrook Schools** have teamed up with **Prize Bounty** to host a raffle to help raise funds for our playground.

Our school is aiming to raise enough money that will help **pay for a canopy** in the Junior playground as there is **no shade or shelter** in that part of the playground.

We have identified an area that could work for a canopy - giving the children cover **all year round**.

Don't Forget To Share

This raffle is open to anyone and the more people that participate, the greater the prize pot will be at the end.

Sharing will help us hit our fundraising target.

How It Works

The raffle has a **prize pot that increases** with every ticket purchase. The more people that enter means the bigger the prize pot!

Head over to Prize Bounty, answer the question and select your tickets to get started.
